A. All present employees who are members of the Local Union on the effective date of this Agreement may remain members of the Local Union in good standing by payment of the regular monthly dues. All present employees who are not members of the Local Union will pay a Representation Fee as set forth hereafter.

B. It is agreed that at time of hire, newly hired employees who fall within the bargaining unit, will be informed that they have the opportunity to join the Union thirty (30) days thereafter or pay to the Local Union a Representation Fee if they chose not to join.

SECTION 1 - UNION DUES - A. The Township hereby agrees to deduct from the wages of employees, by means of a check-off, the dues uniformly required by the Labor Organization pursuant to the provisions of N.J.S.A. 52:14-15.9e. The Township, after receipt of written authorization from each individual employee, agrees to deduct from the salaries of said employees their monthly dues and initiation fees. Such deductions shall be made from the 2nd salary paid to each employee during the month and such deduction made the 1st month shall be a double deduction and thereafter the regular deduction shall apply to dues owed for the following month.

B. In making the deductions and transmittals as above specified, the Township shall reply upon the most recent communication from the Union as to the amount of monthly dues.

SECTION 2 - REPRESENTATION FEE - A. 3. If an employee who is required to pay a Representation Fee terminates his or her employment with the Township before the

Union has received the full amount of the Representation Fee to which it is entitled under this Article, the Township will deduct the unpaid portion of the fee from the last pay check paid to said employee during the membership year in question. The Township, however, will assume no liability for administrative oversight or errors or insufficient paycheck funds.

4. Except as otherwise provided in this Article, the mechanics for the deduction of Representation Fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

5. The Union will notify the Township, in writing, of any changes in the list provided for in paragraph 1, above and/or the amount of the Representation Fee, and such changes will be reflected in any deductions made more than ten (10) days after the Township received said notice.
